Kinsmen Club of Sackville
"Rods To Wheels" Automotive Show

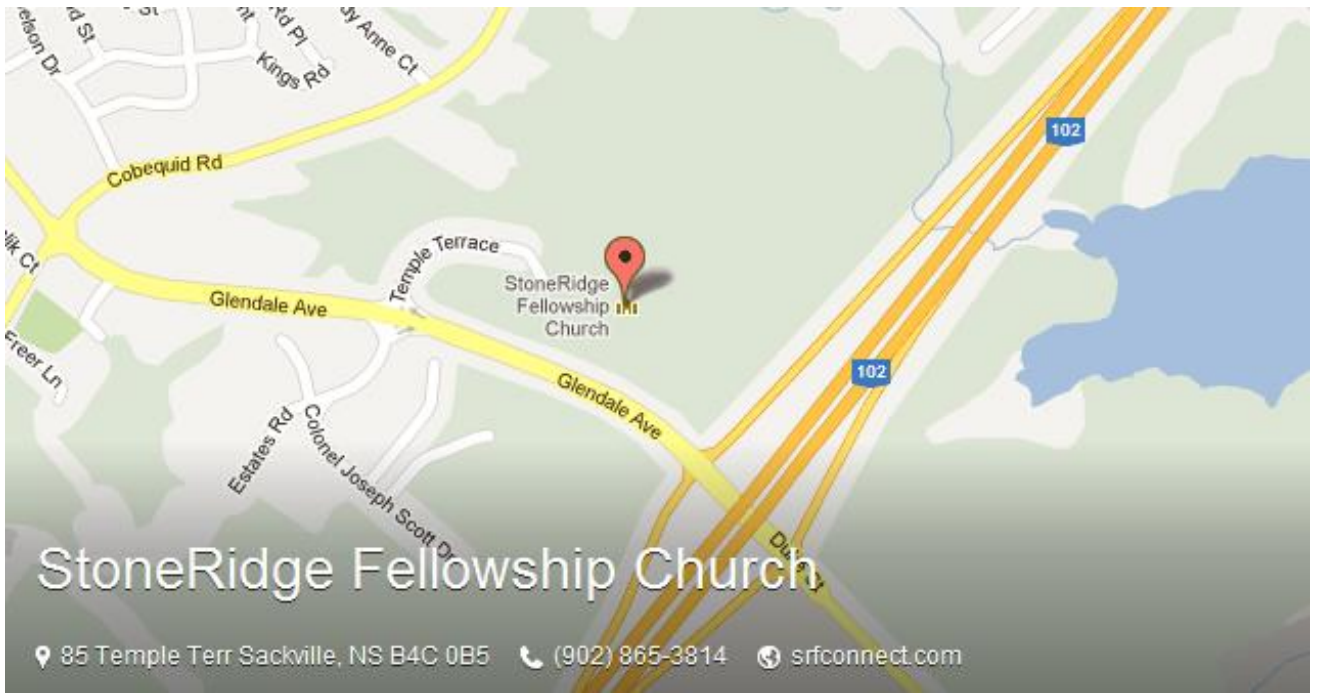

The Kinsmen Club of Sackville is proud to present our 14th Annual Sackville Kinsmen "Rods to Wheels" Automotive Show. This event will take place in the Stone Ridge Fellowship parking lot in Lower Sackville on Saturday September 12, 2020 from 10 am – 3 pm.

We will be inviting automotive enthusiasts from across the Maritimes to show their pride and joy, whether it is a car, bike or truck, new or old. Prizes and plaques will be given out for different classes. Funds raised from this event will go directly to the **Children's Trust Fund, Multiple Sclerosis and the Kinsmen Community Projects Fund**. Your attendance makes a difference in raising funds for these very worthy charities!

The show is a wonderful community fundraising event and features an emcee, DJ playing music throughout the day, an auction throughout the day for our donated items, special guests, displays, giveaways and door prizes.

There will also be special events and guests for the kids, commercial sites available for businesses or organizations for demonstration or sale of product for a donation. There are special featuresn display. Local sponsors will have some of their newest vehicles on display. Racing cars, rail dragsters, and displays by The Nova Scotia Drag Racing Association will be featured.

There are no registration fees for car owners but there are gift packages including tee shirts for those who make donations. This event will be advertised through radio, television, newspaper and on the internet. Contact us to see how you can become a part of this year's show.
